Re: Marhone v. Cassel, 16-Civ-4733 (NSR)(LMS)(pro se)

Dear Judge Román:

This office represents Superintendent Joseph Smith, the remaining defendant in this pro se prison conditions matter. Defendant respectfully requests an adjournment of the status conference currently scheduled for July 17, 2020. The adjournment is requested because discovery continues and another conference is scheduled before Judge Smith on August 4, 2020. In addition, briefing on plaintiff's motion for reconsideration has been extended and is currently not scheduled to be complete until August 26, 2020. The Court has granted defendant's six prior requests due to the continuation of discovery by orders dated June 17, September 6, October 16, October 30, and December 16, 2019, and March 3, 2020. The Court has also previously adjourned the conference sua sponte twice by orders dated May 6, 2019, and April 13, 2020. Plaintiff was informed that this application would be forthcoming at the June 26 conference before Judge Smith and did not object.

Respectfully submitted,

/s/ Steven N. Schulman
